# Canadian AMSOIL Retail Account Ordering Information

AMSOIL retail accounts are eligible for the following freight terms. Pricing and additional information regarding product orders is available in the AMSOIL Canadian Wholesale Price List (G8500).

## STANDARD FREIGHT TERMS

AMSOIL retail accounts receive free shipping for order totals of \$400 or more on products stocked in AMSOIL distribution centers (DCs). If the order total is less than \$400, a flat shipping rate of \$11.99 applies. Shipments to a small minority of outlying areas remain subject to additional interline fees. Visit [www.amsoil.com/StoreFront/CanadianInterlineFreightRates.aspx](http://www.amsoil.com/StoreFront/CanadianInterlineFreightRates.aspx) for more information.

- Routing requests may be included with normal freight orders. However, because AMSOIL INC. uses the most economical method of transportation, the final decision on routing pre-paid freight orders rests with AMSOIL.
- Customers can request lift gate service at the time of ordering if they do not have a method of unloading large orders, 30- and 55-gallon drums or totes. Not all carriers offer this service, so when requesting it please allow additional time for delivery. AMSOIL charges customers and accounts a flat rate of \$30 for all liftgate-required deliveries. Customers will be prompted to accept or decline lift gate service on all qualifying orders placed online or over the telephone.
- Other special requests can result in additional charges by the freight carrier. See Canadian Wholesale Price List (G8500) for details.

## Freight Collect

Orders can be shipped "freight collect" by many small parcel and LTL common carriers if special routing instructions are required. The carrier's name and account number must be supplied at the time of order placement. Freight rates, payment method, routing instructions and other details are handled directly between the retail account and carrier. Retail accounts that choose this option receive a 2 percent discount on their order total.

## Pickup Orders

Orders may be picked up at an AMSOIL distribution center. Pickup orders must be placed in advance by calling 1-800-777-7094 or going online to [myaccount.amsoil.com](http://myaccount.amsoil.com). Please allow two hours for processing prior to arrival. Retail accounts that choose this option receive a 2 percent discount on their order total.

## SALES TAX

### GST/HST/PST Taxes

AMSOIL collects all applicable GST/HST/PST on the sale price of products sold to Canadian customers. Freight and handling are taxable. First Nations peoples and some provincial governments are the only exemptions to GST/HST/PST.

- Accounts can submit a Canadian Uniform Sales Tax Certificate (G495C) to apply for tax-exempt status. Forms and other tax details are available online at [myaccount.amsoil.com](http://myaccount.amsoil.com).
- Accounts that are tax-exempt in their provinces of residence and intend to pick up products from an out-of-

province AMSOIL distribution center can complete and return to AMSOIL INC. a Canadian Uniform Sales Tax Certificate (G495C). Doing so allows the account to pick up products without paying sales tax to the province in which the DC is located since the account is taking the products back to its province of residence for resale.
